

**Welcome**

The work we have undertaken  
in the past year has  
fundamentally transformed  
our future as an association

Introductions

Our Vision

2017 Mission

2018 Priorities

# Vision

To be a thriving and relevant association. To build the competitive advantage of our members through quality control initiatives, on going training, promotions and to be the representative voice of the wood truss industry of Alberta.

# 2017 Mission

Advocacy for the wood truss industry Stakeholders

Standards of excellence

Implement building regulations

Participate in TPIC

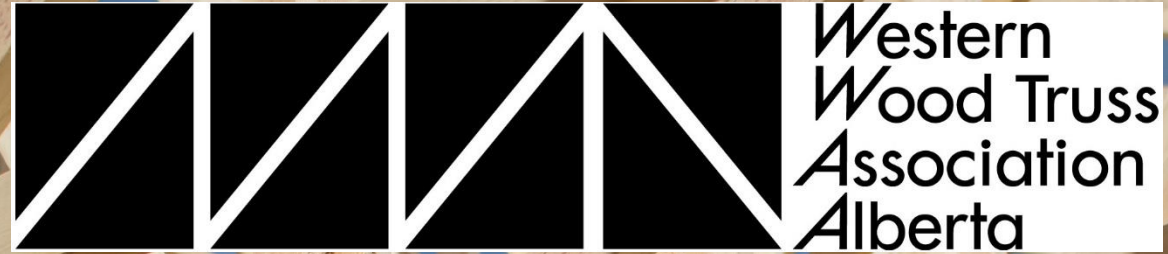

# 2018 Priorities

Thank you

WWTA Volunteers

The work we have undertaken  
in the past year has  
fundamentally transformed  
our future as an association

# Value to our Members

Continued focus on Vision and Mission of WWTA

Collaboration of Members through Sub Committee Engagement
