Cancelation of the 2020 WWTa Conference and Annual General Meeting April 15-16, 2020

Due to rising concerns about COVID-19, The Western Wood Truss Association of Alberta and the Board of Directors has made the decision to cancel the 2020 Annual Conference and Annual General Meeting that was set to take place this April 15-16, 2020 at the Fantasyland Hotel in Edmonton Alberta.

At this time the Alberta Government has stated that any event that has more than 50 attendees and expects to have international participants, or involves critical infrastructure staff, seniors, or other high-risk populations, should also be cancelled. Events that do not meet these criteria can proceed at this time, but risk mitigation must be in place, such as distancing of one to two metres between attendees and using sanitizer stations. We anticipate that further restrictions for events may be enforced in the near future.

While the risk in Alberta remains low, the health and well-being of our members is of the utmost importance and we do not want to impose any unnecessary risk on attendees.

At this time we are planning on hosting a webinar Annual General Meeting the morning of April 16 at 9:00 am. More information will follow.

For those of you that have made guestroom reservations you will have to call the hotel to cancel your reservations at 1-800-RESERVE. If you booked under the group code you should have no penalty for canceling your reservations.
